> ABOUT

A yacht that knows how to be “transparent”, with the elimination of all barriers between indoors and outdoors and every detail designed to have the least possible aesthetic and environmental impact. Benetti Class 44M is the new flagship of the historic Italian yacht builder, with interior and exterior design by Giorgio Maria Cassetta, capable of being somewhere to live in rather than a simple object to show off.

The new 44-meter motor yacht impresses with its clean and essential lines, establishing itself as an immediate object of desire for owners looking for unique boats to enjoy their leisure time aboard.

Benetti Class 44M is designed for long, safe cruises around the world thanks to the perfection of the layouts as well as to generous stowage capacity and meticulous functional research into every detail. In other words, an absolutely unique and timeless yacht.
