> ABOUT

Iconic design with a modern twist. The roots of the exterior of the new Motopanfilo 37M go back to the 60s, when the Benetti shipyard first launched yachts of the same name, which became a real symbol of social life, luxury, royal families and prominent personalities of the world of business and entertainment of that time. At the same time, despite the retro references in the exterior, the new 37-meter Motopanfilo hull is a modern yacht with an abundance of advanced technological solutions, in particular, the innovative displacement hull from P.L.A.N.A.

Impressive internal volume, retro-inspired interiors and colossal glazing. Internal beams give a sense of solidity and protection. The elegant and minimalistic interior harmoniously coexist with the surrounding landscapes. The rooms are distinguished by high ceilings and extensive glazed surfaces. Salons and cabins are free from unnecessary partitions and details, the skillful use of mirrors creates the impression of open space, focusing on sea views, and panoramic windows fill every corner of the vessel with natural light.

One of the largest swim platforms in the segment with the iconic Hamptons-style full-width bimini. Being on such a spacious beach club, you forget that this spacious area is formed by an internal aft space-niche and its swivel cover – when unfolded, both of these components form an impressive recreation area near the water, perhaps like no other 37-meter yacht. The fold-out bimini covers about half of the beach club and provides just the right amount of protection for a comfortable stay.

The yacht was designed by Francesco Struglia in collaboration with Benetti Yachts. Exquisite saloon and master suite on the main deck, four comfortable guest cabins and three crew cabins on the lower deck. In the bow part of the pool with a sunbathing area. Maximum speed 18 knots, cruising range at 10 knots 3800 nautical miles.
