## > ABOUT

Since unveiling its Nauta Air range to wide acclaim, Cantiere delle Marche had launched and delivered four award winning yachts in the same series. Today Cantiere delle Marche is proud to announce the launching of the fifth Nauta Air, Mimì la Sardine, a 110 footer bringing the signature of Mario Pedol and Massimo Gino of Nauta Yachts for both her exterior and interior design. The yacht, a pure explorer vessel, combines Nauta Yachts' ineffable design elegance to Cantiere delle Marche's undisputed technical expertise.

It's all about comfort and informality on board Mimì la Sardine.

From the interiors to the outdoor living spaces, the end result is a comfortable environment with natural light and open air. Spread across three decks plus a large Sun deck, with beautifully designed interiors, she is able to accommodate up to 12 guests. The main saloon is devoted to lounging while the Upper saloon hosts a formal dining area with a remarkable table taking centre-stage. A huge galley is located on the Main deck to port side. Four spacious guest cabins that can accommodate up to 10 guests are on the Lower deck amidship, while a superb Owners apartment is located on the Main deck forward.

A crew of 6 will make sure every guests' need is met whilst on board.

The tender is stored on the Upper deck aft. Once the tender is launched, the area turns into a large lounging area en plein air partially shaded by the Sun deck's overhang.
