> ABOUT

Navetta 42 is Custom Line's largest displacement yacht, a cutting-edge masterpiece with a sophisticated balance between engineering and design. She is a tour de force of flair, from the overall concept to the interior décor and from the inspired styling to the vision of cruising that she embraces.

Flowing lines, clean shapes and a functional aesthetic are the keys to the design of Custom Line's new flagship. Navetta 42 is a work of art made to become one with the waves in a constant back-and-forth with the water, a dance of agile ebullience. Her high-tech heart makes her swift yet reliable, and she is the brand's first vessel ever to vaunt a transatlantic range of over 3,000 miles.

The fully customisable Navetta 42 is an elegant gem that gives full expression to the owner's desires, turning the on-board lifestyle into an extension of their personality. The ample spaces span 4 decks, to multiply the pleasure of the cruising experience. Consummate relaxation is the order of the day on this elegant vessel, starting with the majestic owner's suite and its fabulous view of the main deck. Guests, meanwhile, can enjoy the lower deck for themselves, a versatile, modular area that can be laid out as 4 VIP or 5 regular suites.

The life of leisure becomes even more luxurious at the stern with the spacious water-level beach club – the perfect spot for admiring the wide blue yonder up close, as if a master artist had arrayed it all just for you. And you can enjoy the sea more intimately still, with the new system for launching and hauling out tenders and water toys directly from the side garage.
