> ABOUT

The Mangusta Oceano 39 is a luxurious motor yacht designed for long-range cruising in style and comfort. It is a part of the Oceano range from the Italian yacht builder, Overmarine Group.

With a length of 39 meters (128 feet), the Mangusta Oceano 39 offers ample space for up to 10 or 12 guests across its four guest cabins and a spacious master suite. The interior design by Alberto Mancini is contemporary and elegant, with a focus on natural light and a seamless indoor-outdoor flow.

On the main deck, the Master suite is forward with the galley and foyer amidships. Behind is the formal dining area designed to seat up to 10 guests, with glass sliding doors on both sides allowing for a more alfresco experience

The lower deck layout hosts the guest and crew accommodation forward and amidships, along with the engine room, tender garage with side-loading hatches and a beach club in the stern. The beach club comes furnished with an aft-facing corner sofa and a pair of armchairs around a coffee table, creating a convivial atmosphere for drinks from the adjacent bar. Both sides have large fold-down terraces, which along with the swim platform give the beach club 180-degree views.

The exterior of the Mangusta Oceano 39 is sleek and modern, featuring clean lines and a distinctive shape that enhances its performance on the water. The full-height windows emphasise the sense of space within as well as a connection to the outdoor environment. Even the layout is designed to maximise this aspect, with large fold-down bulwarks creating a massive indoor/outdoor beach club and glass sliding doors across the decks improving indoor/outdoor flow.

There are two propulsion options for the Mangusta Oceano 39, granting a top speed of 16 knots in the displacement version, and 21 knots in fast displacement. Both options have been designed for exceptional quietness while in motion, preventing disturbances to guests while cruising overnight.
