> ABOUT

Nord Star Superyachts is pleased to present Arcadia Sherpa 60 motor yacht for sale.

One of the distinguishing features of the Sherpa 60 is its versatile deck layout. It offers a large open deck space that can be customized according to the owner's preferences, making it suitable for various activities like lounging, dining, or carrying additional recreational equipment.

Despite its relatively compact size for a yacht of its class, the Sherpa 60 boasts a flexible interior layout that can accommodate up to 4 guests in master suite and VIP twin cabin. Each cabin has an en-suite head with shower.

The upper salon of the Arcadia Sherpa 60 is an inviting and versatile space that boasts large sliding glass panels that surround the area, allowing for breathtaking views of the seascape and providing an open, airy ambiance. The layout comprises various seating arrangements, such as comfortable sofa and lifting dining table that can be reconfigured to adapt to different purposes, whether it's casual conversation, formal gatherings at the helm station, or relaxation. Also the salon includes entertainment and galley amenities such as a flat-screen TV, Fusion audio system, grill, sink, refrigerator and plenty of storage space.

The yacht's semi-displacement hull design, coupled with its advanced propulsion system, ensures an optimal balance between speed, stability, and fuel efficiency. This configuration enables a smooth and efficient ride, ensuring a comfortable experience for those on board.
