## > ABOUT

The 30.48m open yacht AB 100 SPECTRE was delivered to her owners in 2016 by Italian shipyard AB Yachts. Her naval architecture and exterior design comes from the drawing boards of AB Yachts.

### Design & Construction

Designed around a planing GRP hull and superstructure she features a 6.8m beam and a 1.3m draft. The yacht is built over 2 decks with an internal volume of 110 GT.

This was the first yacht built on the AB 100 design. Launched in April 2016 this yacht undertook sea trials over the following months. She was delivered to her owners in July 2016.

### Accommodation

SPECTRE offers accommodation for up to 9 guests in 4 suites comprising an owners cabin, 1 VIP cabin and 2 double cabins. She is also capable of carrying up to 4 crew onboard to ensure a relaxed luxury yacht experience.
