YACHTS FOR SALE

> ABOUT

Nord Star Superyachts is pleased to announce the sale of the 26m Princess 85MY motor yacht built by Princess Yachts in 2011.

The Princess 85MY is a 25.93 meter planning yacht with flybridge with 4 guest cabins and a draft of 1.65 meters which can reach speeds of up to 27 knots. Closely matched to “pocket-size” superyachts, she feels equally good both at planning and at a quiet economical pace, providing comfort to passengers not only at cruising speeds of about 24 knots, but also in displacement mode, when she “irons” the sea at 12 knots. Also the yacht features a comfortable layout that ensures privacy for guests, a superb galley and an additional small saloon on the main deck right by the helm station.

The Princess 85MY is available for viewings in Turkey.

Please contact us to arrange an inspection.

KEY FEATURES:

- Williams 445 Jet Tender
- VAT not paid
- GRP hull
