ASKING PRICE:
POA

> ABOUT

Bering 80 has a displacement of 220 tons — nearly the maximum possible for her size. As a result, this vessel will be rock-stable in any conditions you may encounter and very smooth underway. This yacht is by far the most long-range traveler of her class. The fuel tanks bear a tremendous amount: 39.75 tons. Powered by the double 450 HP Cummins QSM 11 set, the vessel can cruise at 8.5 knots for a great 5,000 miles. The maximum speed is 10.5 knots.

KEY FEATURES:

- Steel hull
- Delivery in 2026
- Official guarantee

The company is not responsible for the accuracy of the information provided by the Owner (images, yacht specification, list of installed equipment, its status, engine hours, legal issues). The engine hours are indicated at the time of placing information about the vessel on the site and are periodically updated in the future. Exact parameters and characteristics can be provided at the request of the buyer and are specified in the sales contract. All information provided regarding prices, condition, technical characteristics and / or the possibility of operating yachts on the water is for informational purposes and is not a public offer.
