> ABOUT

A reflection of the owner's personality, she's more than a yacht; she's a unique masterpiece. Because cruising is an art. The art of being different.

The stern area is a completely new concept of the full beam beach deck. Enlarged stairs size, foldable bulwarks, and oversized beach sofa: by opening up the two side terraces, the beach area is transformed into an even larger, more generous and multifunctional space on the water's edge.

A four deck super yacht with one essential purpose: to promote a higher standard of living the sea.

With a total of 70 m2 and a full length of 15 meters, the enlarged sun deck becomes a stunning space for conviviality, contemplation and relax completed by a spectacular aft sea view jacuzzi with sun pad, bow sun lounge area and formal al fresco dining covered by enhanced painted hard top.

The immense sky lounge is the core of Navetta 38 upper deck and the home of natural light. Total area is surrounded by ample floor-to-ceiling windows that offer a magnificent 180-degree view.

The main salon hosts fine full free standing furniture. Here, the owner can host up to 10 persons for a formal dining where bright light strikethrough is a guest of honor every time, thank to full height openable glass on each side that also keep the seamless movements.

Close to 40 m2 of unprecedented comfort and livability on board: the full beam master cabin on the bow of main deck offers a double walk-in wardrobe for him and her at the entrance and even the sensations of being at home.

The lower deck guest area is a large and elegant space close to 60 m2 where 8 comfortable berths are distributed in 3 VIP and 1 guest cabin, all plenty of storage for a never ending experience on the ocean.
