> ABOUT

Crafted under the Francesco Paszkowski, the Fast 50 yacht pays homage to Baglietto's iconic "trendsetters" such as Pachamama, Monokini, and Rush.

One of the standout features of the Fast 50 is its two-level stern, complete with gunwales that seamlessly transform into a luxurious swimming platform. Setting itself apart from its predecessor, the Fast 42, the Fast 50 offers three full decks, enabling a "wide body" concept in the master cabin. Accommodation includes two VIP cabins and two twin cabins on the lower deck, alongside ample crew quarters equipped with modern amenities. The interior of the yacht features the main saloon exuding opulence through its lounge and television areas. Formal dining is elegantly arranged in the sky lounge on the upper deck, surrounded by floor-to-ceiling windows that offer panoramic views.

Outside, the Fast50 boasts equally generous outdoor spaces, featuring sun loungers, sofas, and private sunbathing spots both aft and forward of the wheelhouse. The hot tub is installed in the bow.

Powered by four MTU engines, the yacht achieves an impressive maximum speed of 30 knots, ensuring exhilarating performance for its passengers. The Fast 50 is scheduled for delivery in 2028.
