## > ABOUT

The T60 yacht is the new flagship of the shipyard and represents a design crafted by Francesco Paszkowski Design studio. Its exterior is inspired by the highly successful T52 model. The T60 superyacht is characterized by soft exterior lines and an elegant design, featuring a black glass stripe with portholes that create a sleek profile. Guests are accommodated onboard the T60 in 6 cabins. The master cabin is located on the main deck and features its own sleeping area, separate lounge, and fold-down balcony. Baglietto also offers an alternative configuration with the entire upper deck transformed into the master cabin if desired.
