ABOUT

The Mangusta 165 REV, launched in 2022, represents the next generation of Overmarine's iconic Maxi Open range, combining Italian craftsmanship, striking design, and exceptional performance. As the first yacht built on this innovative platform, she redefines the balance between sporty elegance, generous living spaces, and advanced engineering.

Featuring a sleek composite planing hull, a distinctive low-profile silhouette, and expansive glazing, she embodies the unmistakable Mangusta character while offering the volume and comfort of a much larger yacht. Her carefully designed exterior spaces include a foredeck infinity pool with a spacious sun lounge, along with a 69 m² sundeck featuring a bar, seating area, and sunbathing zones.

The sophisticated interior is filled with natural light through ceiling-high glass, creating a seamless connection between indoor and outdoor living. The owner's suite offers a private entrance lounge, providing an exclusive retreat with exceptional comfort and privacy.

Powered by four MTU engines with waterjet propulsion, the Mangusta 165 REV delivers exhilarating performance with a top speed of 34 knots, offering an unmatched combination of luxury, agility, and cruising pleasure.
