ABOUT

Discover the Manda Yacht S05 – a striking 15-metre luxury cruiser that blends contemporary design with outstanding performance. Built in 2024, she is presented in excellent condition with 500 engine hours and 750 hours on the generator – evidence of careful use.

Her twin Volvo Penta D8-IPS 800 engines (2 x 441 HP) deliver a top speed of 34 knots and a cruising speed of 28 knots, while a beam of 4.82 metres and shallow 1.21-metre draft ensure agility and stability. With 1,800-litre fuel and 500-litre water tanks, she is well-suited for extended cruises. Accommodation comprises two cabins with four berths and crew space for one, comfortably hosting up to 12 guests on board.

Designed for coastal cruising and entertaining, the S05 offers premium craftsmanship, innovative styling and a seamless connection to the sea. A wonderful opportunity to acquire a beautiful yacht, ready to be enjoyed from day one.
